

## Frequently Asked Questions (FAQs) for Public Works Solid Waste Division

**Question:** What time and where should the wheeled garbage barrel be placed for collection?

**Answer:** The barrel should be placed at the curb adjacent to your property or in the alley behind your house no earlier than 5:00 p.m. the day before your collection day or no later than 7:00 a.m. on the designated pick up day.

**Question:** How often is yard debris collected?

**Answer:** According to the Solid Waste Ordinance, yard debris shall be collected twice per month.

**Question:** Should yard trimmings be separated from other debris?

**Answer:** According to the Solid Waste Ordinance, yard trimmings shall not be mixed with any other debris, and it shall be the owner/occupant/tenant's responsibility to separate all debris and place it in separate piles for collection.

**Question:** What is the monthly rate for residential household garbage collection?

**Answer:** Effective July 1, 2023, the rate is \$39.00 per month.

**Question:** What is the monthly rate for commercial garbage collection?

**Answer:** Due to the variation of services that may be rendered such as number of collection days per week, size of dumpster, etc., please contact our office at 229-302-1800 to obtain an agreement and to discuss the best option for you.

**Question:** Are Roll-off Containers offered?

**Answer:** Yes, we provide this service. Please contact our office at 229-302-1800 to obtain an agreement and to discuss the best option for you.

**Question:** What is the residential holiday schedule for garbage services?

**Answer:** Please see the link for Holiday Pickup Schedule on the Solid Waste Home Page.
