

The purpose of the Temporary Business Permit application is to streamline regulatory processes for seasonal/roadside business owners. Applicants requesting a permit to conduct business on the property of another may complete the entire process in as little as **3 Steps**.

- 1.** Complete the first page of the attached application.
- 2.** The owner of the property completes the Owner's Affidavit (second page).
- 3.** Once both sides have been completed, submit the application to the License and Business Support Office. A government issued I.D. and the permit fee of \$125.00 are required at the time of submission. Please note that the first page of the application must be notarized. Notaries are available in the License and Business Support Office. The Owner's Affidavit (second page) does not require a notary signature.

After completing the application and obtaining any additional permits (if necessary), a Temporary Business Permit will be issued.
