This Statement of Special Inspections is submitted in accordance with Section 1704.3 of the 2012 International Building Code. It includes a <i>Schedule of Special Inspection Services</i> applicable to the above-referenced Project as well as the identity of the individuals, agencies, or firms intended to be retained for conducting these inspections. If applicable, it includes <i>Requirements for Seismic Resistance</i> and/or <i>Requirements for Wind Resistance</i> .								
Inspections?							□ No	
The Special Inspector(s) shall keep records of all inspections and shall furnish interim inspection reports to the Building Official and to the Registered Design Professional in Responsible Charge at a frequency agreed upon by the Design Professional and the Building Official prior to the start of work. Discrepancies shall be brought to the immediate attention of the Contractor for correction. If the discrepancies are not corrected, the discrepancies shall be brought to the attention of the Building Official and the Registered Design Professional in Responsible Charge prior to completion of that phase of work. A <i>Final Report of Special Inspections</i> documenting required special inspections and corrections of any discrepancies noted in the inspections shall be submitted to the Building Official and the Registered Design Professional in Responsible Charge at the conclusion of the project.
